TASTE & TOUR TUESDAYS

906 Eichelberger

St. Louis 63111

Near Grand & Bates in
South St. Louis City

Success is Found Within

Join us in our Cafegymatorium (the combination of a cafeteria/gym/auditorium, a multifunctional facility built by many schools during the 1950s). Enjoy the old-fashioned lunch tray, milk carton and lunch line of days gone by. Meet our students, see our school and learn how St. Cecilia is succeeding in its mission. We are not just a school, rather one of the anchors of the rebirth of a community in the city of St. Louis. See firsthand, successful urban elementary school education!

**Menu: Tacos,
Enchiladas, Burritos,
refried beans, etc.**

*Authentic cuisine
prepared by our school
mothers*

Tuesday's Tour @ 11AM
